Tou are aware of my general lack of enthusiasm for the formation of additional USIB committees. However, I certainly will remain open-minded as to the merits of one for Weapons Systems. There may be some wire diagramming which falls between the proposal and your own which can get to the substance of this subject without further proliferation of USIB committees. In any case, Sam will be directly in touch with you and others with equities involved to work on the matter. Sincerely, Distribution: OrigAddressee 1		Approved For Release 2005/11/2	PECIA-RDP80M81133A000400190013-11ve E ANNUAL CONTROL OF THE PROPERTY OF THE PR	
Lieutenant General Daniel O. Graham, USA Director, Defense Intelligence Agency Washington, D. C. 20301 Dear Danny: I have passed your proposal to form a separate Weapons Systems Committee on to Sam Wilson with instructions to consider it along with the earlier suggestions that you and had agreed upon with respect to the substance of this problem. You are aware of my general lack of enthusiasm for the formation of additional USIB committees. However, I certainly will remain open-minded as to the merits of one for Weapons Systems. There may be some wire diagramming which falls between the proposal and your own which can get to the substance of this subject without further proliferation of USIB committees.
